

## Content Manager (m/f) – The Netherlands

**AUTO1.com** is the world's most innovative and fastest growing online platform for the automotive sector.

Active in more than  
20 countries

Multi-million turnover  
on our platform

Innovative and effective  
performance marketing

Attraction of several  
million users

### What the role will involve

As a Content Manager you will be part of our successful international team and will create, optimize and update content in order to SEO criteria.

- You work together with Onpage- and Offpage-Manager as well as with other international Content Managers
- You will work on SEO-content, blog- and content marketing articles
- You will be responsible for the independent topic-research and the structural editing for a good storyline
- You are responsible for the whole content-creation incl. appealing visualization of the content

### Skills to succeed

We're looking for a strong content writer with outstanding written and spoken Dutch skills.

- You ideally have a good valuation for the combination of content & visualization as well as for clear communication
- You are passionate about the internet and its possibilities and you are more than familiar with writing
- You possess good MS Office skills
- You have a high self-motivation. Besides that you bring with you qualifications, like: target-orientation, strength in communication, quick perception, structured work method, enthusiasm, hands-on-mentality
- Ideally you have first writing experiences and knowledge in HTML
- An University degree in journalism, marketing, media- or communication science is a plus
